

Pegboard Organizer

How to organize all your accessories in the most affordable way? Our Pegboard Organizer is your saver. No matter in bedroom, craft room, kitchen or work place, pegboard is your best choice to utilize vertical wall space. You could easily arrange and keep items and accessories within arm's reach. Holes on each pegboard are evenly spaced, so you can insert hooks cross the edge of two panels without wasting any hook space.

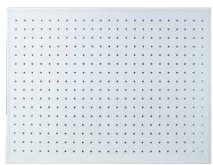

Features:

- Waterproof
- Usable holes on the edge of each panel
- Easy installation
- Organize collectibles and accessories
