

# GARAGE ACCESSORIES

Garage is the space that needs to be designed well in order to be safe. Weatherstrip can help you to keep dust, rain and bugs outside by sealing gap between garage door and door frame. Space in the garage is limited, so you will need the bright color of cushions to mark the position of the corner. They prevent vehicle from scratching wall or corner and save repair cost. Moreover, convex mirror adds visibility to the blind spot when you are driving in and out of the garage. It provides wider view to reduce possible accidents. Installing all of our three product categories, you can improve garage to be safe and maintained easily.
